Dear Mr/Ms J. Dokes:

We are sorry to inform you that your recently submitted claim in the amount of \$124.56 is **not eligible for payment** at this time.

Despite the rather lengthy explanation attached to your recently submitted claim form (TAHMO-CL124 rev. 7-08) detailing the medical reasons for requiring a healthy lawn to ensure your “mental and physical well being throughout the summer months,” such grass treatment is clearly outside of the payable benefits as detailed in the outline of coverage in your TAHMO membership health care plan provisions (see Sec. XXI, Paragraph 92, Clause 15: “Nor will Amalgamated HMO even think about paying the following kinds of claims”). And just for your own personal future reference, “lawn doctor” is not among the recognized terms for a licensed health care provider anywhere within the medical community publications that we reviewed.

Thank you for this opportunity to be of service. If you have any additional questions regarding your coverage, do not contact this claim office again. Instead, we suggest you call your TAHMO agent:

Dokes, J. , CLU.

Sincerely,

Your TAHMO Claim Staff

*PS. Naturally, any outstanding payments to The Green Thumb Nursery will continue to be *your* individual and sole responsibility.*
